PM8054B-F3EI

**Product Status**  
 In Production

[Overview](#) [Ordering](#) [Support](#)

12 Gbps 36 port SAS expander feature SAS-3 T10 zoning, self-configuration, table to-table routing, and an integrated MIPS processor for SES and enclosure management support.

Package      Tray  
Carrier:

Alphanumeric Parameter	Value
Port Count	36
Generation	12 Gbps
Physical Dimensions	31 mm x 31 mm
